Granny flat living is fast becoming a very popular trend and a more affordable alternative for renters looking for low maintenance properties, a place to call home on the Central Coast, yet close to freeway access and train services.

This brand new modern home includes 2-bedrooms with built in robes, open plan kitchen and living area plus bathroom with laundry facilities. Low maintenance surrounding fenced yard and single carport space. Situated within a minutes walking distance to the local walking/bike track along the scenic Tuggerah Lakes foreshore.
