

## JILLIBY

5  1  4 

Bring your mower & whipper snipper! We've got some gardening to be done. A solid country farmhouse comprising 5 bedrooms, study, 2 living rooms, pleasant kitchen & entertaining area, set in an overgrown park like setting. Sounds like work, a little but thankfully we are not talking about 2.5 acres, this is 5 acres & worth every cent as land. Additional shedding, circular driveway, townwater & plenty of room for the horses. Immediate sale required. (Please note the photo's you are seeing are not recent ones).

**Price** : \$ 565,000
