

34 Margaret Street, WYONG NSW

2 1 1

This fantastic 1214m² block of 2c medium density zoned land is a fantastic opportunity for all developers. The block has a 20m frontage & is approximately 60m deep. Existing on the property is a 2 bedroom home with large family/dining room, kitchen & lounge room. The home needs some TLC but could be a great family residence or a good source of rental income for the investor or developer.

Land Size : 1214 sqm
