

3A Corona Lane GLENNING VALLEY NSW

4 2 3

This architect designed home provides a spacious 4 bedroom home plus study, functional kitchen with walk in pantry and loads of storage. A three car garage provides for the cars with plumbing in place for a shower and toilet at the back that just needs fitting out. The huge deck stretches across the whole of the home where you can sit and look out over the grassed area in front.

As you enter the wide hallway with glass walls you first encounter the office and then the master bedroom with walk-in and ensuite including spa bath. Then you can step down into the lounge area with a wet bar, fire place and doors opening out onto the deck. The next living area also with a fireplace adjoins the formal dining room and kitchen with the laundry around the corner. Then down the hall to the main bathroom and 3 other double bedrooms.

Well planned to allow the light in, the high ceilings keep it cool in the summer. Hard to imagine it is 10 minutes to the
