

WYONG

2  1 

This ideally located home in the central coast mobile village has been well cared for with two bedrooms, one with a double built in wardrobe and the other is quiet spacious. The home has two living areas, a good size kitchen, split reverse cycle air conditioning, a back deck, window sun shades and more.

This home is larger than most in the park and is very well set out. There is gas cooking and a gas heating point. The current lease fee for land and water use is \$137 per week. The park has security electric gates and a lockable after hours gate.
