Mostly level, the property is made up of two blocks on two titles. A 4.7 acre block, includes the 4 bedroom homestead with the majority of the land flat and usable. The second block has approximately 51 acres of flat cleared usable land. In need of a tidy up to return to its former glory this land will be suitable for horses etc.

Properties of this calibre and price are few and far between. Whether you are simply looking for peace and quiet or a hobby to work this property is well worth an inspection.
