

## YARRAMALONG

Approximately 44 acres with a bush hut. This would make a great bush retreat with enough cleared land for a horse paddock, backing onto forest with great riding trails & a great Yarramalong Valley ambience. Sure it needs a little work, but do diamonds come out of the ground sparkling? This is a great opportunity to make that diamond shine. Contact Jason Graham on 0402 810 831

**Price** : \$ 200,000

**Land Size** : 44 sqm
