

30 Boyce Avenue WYONG NSW

Why would you buy me?

I am in a great location, easy walking distance to Wyong shops, train station, sporting fields and schools with Westfield Tuggerah just a few minutes drive and 20 minutes to the beaches. I am generous in size being approximately 5523m² of near level land zoned Residential 2A, which is very difficult to find so close to amenities. With a motivated owner who is keen to listen to offers, how can you go wrong?
