

### 11 Crystal Crescent Wyong NSW

3 1 2

Don't miss out on inspecting this newly renovated home which is located close to town and offers so much living & storage space!

The three bedrooms all include built in robes & ceiling fans with a sunroom which includes spectacular views & air conditioning that could be turned into a parent's retreat! As you enter the home you will appreciate the time & effort on the newly polished floorboards that flow throughout the home with the convenience of air conditioning & ceiling fan to the main living area.

The stylish kitchen has also been revamped (but unfortunately does not include an oven) but offers a separate dining area that provides access to the rear veranda & rear yard.
